Why route? And not solutions?

Pricing totals? Not per store?

RECOMMENDED ROUTE

Your suggested PFM Intelligence route

The route is selected automatically from the needs you chose. The monthly service shown below comes from the current Impact Model scope, not from a fixed package price.

RECOMMENDED ROUTE

Professional

MONTHLY SERVICE FROM CURRENT SCOPE

€1.550 / mo.

Essential

Measure the basics reliably

Not selected

For retailers that first need a trusted baseline for store traffic and conversion potential.

Advantage Portal

Data management

Footfall

Portfolio-wide report

Sensor management

Remote support

Conversion rate

Professional

Understand who visits and what attracts them

€1.550 / mo.

For retailers that want visitor profile insights, capture-rate context and richer performance explanation.

Essential included

Age / gender / group options

Occupancy

Capture rate

Enterprise

Analyse journeys, zones and in-store behaviour

Not selected

For retailers that want in-store analytics, zoning, dwell, Re-ID feasibility or advanced reporting.

Professional included

Re-ID / dwell

Heat mapping

Sales-data conversion report

Why this route? Visitor profile insights such as age, gender, groups or adults/kids move the scope to Professional. The route can still be refined after a technical and commercial review.
